We derived the selected consolidated financial data as of and for the fiscal years ended December 31, 2004, 2003, 2002, 2001 and 2000 from our audited consolidated financial statements and related notes thereto. We derived the selected consolidated financial data as of and for the nine months ended September 30, 2005 and 2004 from our unaudited consolidated financial statements and related notes thereto. The unaudited consolidated financial statements include, in the opinion of our management, all adjustments, consisting of only normal recurring adjustments, necessary for a fair presentation of our financial position and results of operations for the interim periods presented.
